# AWA CHARITY for the year

As voted upon at our April Meeting, the AWA is proud to be fundraising for the local charity ARC Hippotherapy: SCIO (a member group of the national charity Riding for the Disabled) this year. ARC Hippotherapy: SCIO are based at the Aberdeen Riding Club premises at Nether Anguston Farm, Peterculter and offer hippotherapy for children and adults with disabilities, provided by a Qualified Physiotherapist.

## What is Hippotherapy?

Hippotherapy literally means treatment with the help of a horse, from the Greek word hippos meaning horse.

The therapist utilises the rhythmic movement of the walking horse. A client appropriately positioned on the horse experiences and responds to significant sensory input.

This positions them ideally to develop postural control, equilibrium reactions, balance, co-ordination and spatial orientation.

There are also psychological, speech, language and cognitive benefits.

Hippotherapy is a treatment carried out by, or under the direction of a specially trained Physiotherapist or Occupational Therapist – the hippotherapist. Valerie Cooper is the trained hippotherapist. She observes the rider and gives instructions to 2 side helpers, who walk either side of the horse to ensure that the rider is in the correct position at all times to gain maximum benefit from the treatment.

## Interested in Volunteering?

### Role of the volunteers

In being part of the Hippotherapy group you are helping to make a real difference to the lives of disabled children and adults. Volunteers are essential to the group and the sessions could not run without them.

The duties performed by them are :

- Grooming and tacking up the horses
- Lead each horse around the school
- Side helpers
- Meet and greet the riders and their carers/parents, offer tea/coffee

Training will be given for all roles and responsibilities so previous experience with horse management is not essential.

ARC Hippotherapy would welcome any of our members able to volunteer to help at their sessions. Each Friday, they run 8-9 sessions. Sessions are from 9am to 1:30pm. Volunteers will be required to complete an application form, disclosure check and an online sign-up system to confirm their availability for the dates and times that suit them best.

If you are interested contact VP Charity, Jane Easton or Kate Osborne. They will put you in touch with the contacts at ARC Hippotherapy

# MEET THE BOARD

Jeanne Rodriguez | **President**

I am excited to serve as President this year for the AWA. I was born, raised, and attended university in South Louisiana, married a Texan, and embarked on the expat adventure that has taken us to Mumbai, Surrey, Houston, and now Aberdeen. I moved here almost 7 years ago and am happy to call the Granite City my “for now” home with my husband Joel, children Joseph and Juliana, and our first-born (and most spoiled!) dog child, Bella. I look forward to seeing old friends and introducing myself to new faces as we kick off the 2017 AWA year!

Christine Jackson | **1st Vice President - Meetings**

Hi everyone! I am thrilled to be back on the board again this year and look forward to seeing familiar faces as well as meeting new ones :) My family and I have been living in Aberdeen for over five years. I have a five year old daughter in Kindergarten at ISA and a three year old son enrolled in the preschool. I absolutely love living in Scotland and enjoying it's stunning scenery. As a photographer, you will often find me with a camera in hand. I am so excited to get this year started and raising money for an amazing charity!

Leila Metzger | **1st Vice President - Meetings**

Hi all! Originally from Calgary my husband Kyle and I moved to Aberdeen just over 4 years ago. I have served on the board for 3 years and am excited to be back again as 1st VP meetings. We have two daughters, Bellamy (21/2) and Madeleine (5 months). Our family loves to travel but when at home, we love to explore the beautiful Scottish highlands and all that it has to offer. We love living here and have been lucky to make so many good friends over the years. I am looking forward to another amazing AWA year.

Sandra Grisby-Green | **2nd Vice President- Social**

My name is Sandra Green and I look forward to serving as 2nd Vice President-Social. I was born and raised in Baton Rouge, Louisiana. Attended Grambling State University undergraduate and University of Phoenix, MBA. Moved to Aberdeen 1 year ago from Houston, Texas with my husband Roderick, and three children Imari, Kennedy and Jordan. I'm your typical Louisiana native that loves to cook and never meets a stranger. I'm excited to see what the new year brings with AWA!

# MEET THE BOARD

Melissa Plain | **2nd Vice President- Social**

I have been living in Aberdeen with my fiancé Mitch and our newborn son Rockford for the past three years, after spending my first three years in the UK based in Newcastle upon Tyne. Mitch's work brought us up to Aberdeen, but surprisingly not oil based! Enjoying this year on maternity leave, I'm excited to see more of Aberdeen (enjoy a cocktail or 2) and get everyone out and about!

Jane Easton | **3rd Vice President-Charity**

Hello, I'm Jane and I'll be serving as co-chair for the 3rd VP position this year with Kate Osborne. I'm originally from Michigan but have lived in Scotland since 2010 and was in Germany prior to moving here. My husband Angus and I live in a little village called Auchenblae south of the city. I currently am a full-time student at the University of Aberdeen but also work part-time for a local law firm. I hope to see you at the September and October general meetings to share more about our chosen charity, ARC Hippotherapy: SCIO.

Kate Osborne | **3rd Vice President-Charity**

Hi I'm Kate and I am living here with my husband, Seth and son, Jackson. I am originally from Virginia, but grew up in Texas and I am happy to call Dallas home. I am a labor and delivery nurse, however I have not been working since 2013 when we left the US. We started our expat journey in Port Gentil Gabon, where we spent 2 years, before happily making our way to Aberdeen in 2015. Being a member of the AWA for the past couple years has been a great experience and I look forward to contributing!

Jennifer McKinnon Magee | **Secretary**

I'm one of the more permanent AWA ladies, as my husband is Scottish and Aberdeen is now my official home. I'm originally from Granbury Texas. I have a degree in Theatre Arts from Sam Houston State University and I taught Theatre Arts at the Junior High School level back in the states. When I moved to Scotland I began teaching Musical Theatre Acting at the College level as well as Drama in Aberdeenshire public schools. I am also a professional actress/singer and perform locally in Aberdeen and throughout the UK.

## Lauren Babcock | **Activities**

I'm from Chicago and have been living in Aberdeen for 3 years now. The cow field next door is a long way from my previous view of Louis Vuitton, but dare I say, much prettier. I moved here with my husband, Erik and dog Stella. Last year our family grew by one- as I am the deliriously happy owner of my first horse: Hamish. I am a freelance Social Media Content Manager for a handful of clients back in the states, and otherwise if I'm not at the barn I'm kept busy exploring Scotland, planning holidays, reading, illegally streaming Bravo TV, and volunteering with Riding for the Disabled.

## Jennifer Martin | **Membership & Hospitality**

Hey Y'all! My husband, Leigh, and I moved to Aberdeen from Houston, TX in 2014. We have 3 children, Jack (12), Tyler (11), Emily (6), and our dog, Dottie. We have enjoyed exploring England & Scotland (by car) and traveling around Europe. Our family loves a good road trip, Rugby, and the beach. I look forward to meeting you all and welcoming you to the AWA!

## Annabel Byrne | **Treasurer**

The Treasurer is the custodian of all funds of AWA. She is responsible for all funds received and dispersed by the association, and for preparing a monthly Income and Expenditure Statement, a copy of which is to be presented to each Board member at each Board meeting. The Treasurer is also responsible to make this information available to the general membership if necessary. It is the responsibility of the Treasurer to ensure that operating capital of not less than £1,000.00 is on hand at the end of the fiscal year.

## Lucia Ochoa | **Publicity**

I am from Bogota, Colombia married to a Brit that had me moving around for the last 20 years. Aberdeen has been our first home posting and we have enjoyed it for the last 2 years. I am embracing my last year as a full-time mum before my youngest girl flies the nest, Andie is a senior at ISA and Hannah is in her 3rd year of engineering at Warwick in England. I love to play Mah-jong, read and lately I have taken a liking for golf. I am looking forward to working with AWA this year.

# MEET THE BOARD

Lillian Small | **Newsletter**

It's my first year on the Board and I'm happy to flex my creative skills to bring you the monthly newsletter. I'm from Toronto, Canada with Portuguese roots. I studied Chemical Engineering and worked in Oil & Gas for 5 years. In 2013, I moved with my husband to Paris and then to Aberdeen last summer. I'm currently in a Masters program in Digital Marketing. I love to travel, bake French desserts, listen to podcasts, binge on Netflix and staying active (running, Crossfit, yoga). I enjoy learning new things, taking on challenges and sharing my knowledge and experiences with others.

Elizabeth Jantz | **Parliamentarian**

I'm currently on my first (and probably only!) expat assignment here in Aberdeen. My husband, Greg, and I have lived here for 5.5 years and both our children were born here. Aberdeen has provided us with lots of fresh air, beautiful countryside, and amazing travel opportunities. Feel free to contact me if you have any questions or need any recommendations.

Lorie LeDrew Sigut | **Web Mistress**

I'm from Nova Scotia (Latin for New Scotland!) and just moved to Aberdeen in January. My home life is surrounded by boys - two sons, my husband, and a chihuahua. I was lucky enough to have joined the AWA during one of my visits last year, and meeting such great people so soon upon my arrival has really made the transition easy. Seafood is what brought us on this adventure, and we sure are enjoying the ride. Looking forward to making more great memories abroad!

Stacy Townson | **FAWCO Rep**

I've lived in Aberdeenshire for 4.5 years and love every minute of it - the opportunity for golf and hiking, whisky and beautiful scenery is what keeps me happy :-)
